

STUDY OF THE ENTRY GATES AT  
**L'UNIONE ITALIANA CEMETERY**  
ITALIAN CLUB OF TAMPA, INC., TAMPA, FLORIDA

Kenneth C. Ferlita, AIA  
Architect

*DESIGNER'S NOTE: This sketch is for discussion only and intended to reflect a complimentary architectural style to both the cemetery and architecture our ancestors created for our historic clubhouse. The rendering indicates the addition of private restroom, mausoleum lift storage and security equipment storage at gate pilasters.*
